

NeatTech

Humanscale®

PRODUCT HIGHLIGHTS

NeatTech

NeatTech is an innovative cable management solution that is compatible with most workstations including our award-winning height-adjustable tables, Float and eFloat. Its lightweight basket stores power strips and cables neatly and safely off the floor.

Features

- Designed for quick installation
- Supports a total weight up to 10 lbs (4.5 kg)
- Compatible with most tables tops
- Available in 3 different sizes, mini (24"), small (38") and long (48") to fit various types of workstations
- Available in 4 colors including opaque options to completely conceal cables
